LB 1073, 1154A, 1162A  
LR 448-469

appreciate that last remark of Senator Chambers and I'd like to keep that star on Senator Landis' head and I can't do anything about my head as far as the hair or however you said that. Anyhow, I just have a quick question. I have sympathy for this person and so forth, but has anyone checked through the CHIP program?

PRESIDENT ROBAK: Senator Landis.

SENATOR LANDIS: The CHIP program might be available in this circumstance. As you know, the CHIP program is expensive. Yes, it's possible to do that.

SENATOR ENGEL: Has that been considered?

SENATOR LANDIS: I suppose as a last resort it might be considered.

SENATOR ENGEL: Okay, thank you.

PRESIDENT ROBAK: Thank you, Senator Engel. Is there any further discussion? Seeing none, Senator Landis, to close. Closing is waived. The question before you is the adoption of the Landis amendment to LB 1073. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 25 ayes, 0 nays on adoption of Senator Landis' amendment.

PRESIDENT ROBAK: The Landis amendment is adopted. Mr. Clerk, items for the record.

CLERK: Madam President, study resolutions, (read brief summaries of LR 448-469). Two A bills, (read LB 1162A and LB 1154A by title for the first time). (See pages 1420-33 of the Legislative Journal.)
